

To the wonderful people of the DEA Survivors Benefit Fund,

I just wanted to pour out my heart filled thankfulness to the people of the DEA Survivors benefit Fund. When my husband Terry died on May 28, 2004, I was pregnant with our fourth baby. I was still in a state of shock and overwhelmed by the generosity and warmness of the DEA family. When I was handed a check for such a large sum of money I nearly fell to my knees but instead I cried because I felt so cared for. This money really came at a great time because checks that my husband had written before he passed were bouncing because he died a couple of days too early to receive his last paycheck. I am still very humbled by the fact that all four of my children, even my son who was not born at the time of his father ' s death, will be able to go to college thanks to the Survivors Benefit Funds.

Right now my children are young, ages 10, 8, 6, and almost 4, so it will be a while before they start college but I will keep the DEA family updated.
Blessings and Love to everyone who was there for my family.

We thank you from the bottom of our hearts,

Debbie, Dornier, Banan, Mallory and Ross.
